Dear Investor:

The independent review committee of the Marret Funds (the “Marret **IRC**”) was established on May 28, 2009. The role of the Marret IRC is to provide approval or recommendation in respect of conflict of interest matters identified by Marret Asset Management Inc. (“**Marret**”) as the manager of the funds listed in Schedule A to this report (the “**Marret Funds**”).

Marret is responsible for referring to the Marret IRC any matter which a reasonable person could view Marret as having an interest that may conflict with its ability to act in good faith and in the best interest of the Marret Funds. The Marret IRC reviews each such matter and provides its approval or recommendation, having regard to whether the actions proposed by Marret achieve a fair and reasonable result for the Marret Funds.

Marret takes governance and stewardship very seriously and continues to view the IRC as an enhancement to its commitment to unitholders for high standards of operations and governance.

During the year, the Marret IRC met on a regular basis, had regular discussions with management, and received appropriate representations regarding conflict matters from the CEO and the Marret Chief Compliance Officer.

The annual Marret IRC review of the effectiveness of Marret’s policies and practices related to conflict matters took note of the fact that: Marret IRC activities had not revealed any issues with the conflict policies or practices; there were no cases of conflict matters not covered by the policies; and that there was no evidence that the policies were not effective. Regular audits of Marret Funds and the internal compliance program have not identified any weaknesses in Marret’s operations that might suggest deficiencies in the conflict policies or processes, nor has the IRC received any direct communication on conflict matters, except for those that have been satisfactorily dealt with by Marret.

The Marret IRC also assessed its own independence, effectiveness and compensation and no changes were identified except as noted below.

Attached is the IRC 2017 Annual Report to Unitholders for the period from January 1, 2017 to December 31, 2017. The Marret IRC is pleased with its continuing operations and found Marret responsive to questions and suggestions. The Marret management team has made itself available and we are comfortable with their dealings with our committee.

We look forward to continuing to serve you and the Marret Funds.

Stuart P. Hensman
Chair of the Independent Review Committee of the Marret Funds
